It shows that the empire consists of an approximate area of 11,000,000 square miles or more than one-lifth of the entire land area of the world. The namely tion is about 400,000,000, of which 51, 600,000 are whites, and is distributed py follows: In Asia 200 000 000: Afri-45,000,000 Europe. 42,000,000: America, 7,500,000,000, and Australia, 5,500,000. The most populous city att-London is Calcutta and is visited by many people.

Roan htt. Va. has a system of water works which comes pear perfection. At the foot of a mountain at the edge of the town a tremendous spring bursts from the ground. There is great volume of water, clear and cold. A large pump throws this water to u reservoir on top of a hill quite near the city and from thence it is dis-tributed by pipes. The temperature is but little higher than when it comes from the earth. It is soft water, and fce for cooling it is next to useless. It is abundant, and that is more important than anything else.

tor Joseph R. Burton, of Kansas. Action on the resolution went over until next Tuesday. It is said that the sentiment of the committee is such that the resolution will be adopted if Burton does not resign.

# HAS PASSED AWAY

DEATH CAME SUDDENLY AT HIS HOME IN WASHINGTON.

#### VICTIM OF HEART TROUBLE

From a Poor Boy, as Page le the Senate, He Rose to a Commanding Position in the Politics of Maryland.

Washington, D. C .- Arthur Pue Gorman, United States senator from Maryland, died suddenly at his residence in this city at 9:05 o'clock Monday morning. While Senator Gorman had been ill for many months, he had shown some improvement lately. Heart trouble was the immediate cause of dently.

Senator Gorman's illness entended over five months. He had not left his house since January 16. He suffered, in addition to his heart affection, with more or less stomach trouble. A week ago last Saturday he was selzed with a heart attiack and it was thought then that he could not survive, but les ral-fied and seemed to get much better.

When the final attack seized him, Monday morning, it was short and charp, and the senator was dead is fore the physicians, who were immediately summoned, arrived

#### Senator Gorman's Cageer.

Arthur Fue German was forn in Howard county Margland, March 11, 1819. So poor were his purents that they did not even own the few heres which they tilled. His education was begun in the country school, and was continued after he became place in the senate by personal reading and sindy. For 12 years from the date of his

appointment as page in the senate, Gorwan was connected in an officeholding capacity with that body fu 1866 he was pastmaster of the security, and was removed, and was immediately appointed collector of internal povenue for the Fifth district of Maryland. This office he held for three years, when he was removed by Pre-lifent Grant, going home to Howard county, Maryland, to run for the state legislature. He was elected, and re-elected to the lower and later the upper houses of the Maryland legislature,

serving in that body for 21 years. He allied himself by marriage with Henry Gassaway Davis, the multimillionaire coal and railroad proprie-tor of West Virginia, became as ociated financially with Stephen B. Elkins, somin-law of Davis, and otherwise built up the politico-financial structure

which was his strength. He built a handsome residence and bought a large tract of land at Lauret. in Howard county, and reared a large family of daughters and one sen, He was chosen United Status senator, first in 1850 and served until 1899 when an anti-machine result in his tate sent him home. He bided him time, and four years later returned to

# HON. JOHN G. NEW DEAD AFTER YEAR'S ILLNESS

Indianapolis, Ind.-Bon. John C. New, for many years proprietor of the Indianapolis Journal, died of dropsy at his home late Monday afternoon, aged 74 years. Around his bedside were his wife, his son, Harry S. New, vicechairman of the national republican committee, and his daughter, Mrs. Ernest H. Burford, of this city. Another daughter, Mrs. W. R. McKean, Jr., is en route here from her home at Omaba. Neb.

Mr. New had been ill for about a venr. He was a lifeione friend jamin Harrison, whose political manager he was, and was consul general to London under the Harrison adminis-

#### FOSTER D. GOBURN TO SUGGEED BURTON

Kas. - Foster Dwight Coburn, the widely-known agricultur-ist, was appointed United States seaator by Gov. E. W. Hoch, late Monday afternoon, to succeed J. Ralph Buston, who had resigned earlier in the day, Mr. Coburn has not definitely accepted the appointment.

#### Severe Electrical Storm.

Princeton, Inc.-A very severe dectrical storm passed over southern Indiana late Monday afternoon. barn was struck by lightning and Will-iam McAtee and Charles Armstrong were fatally hurt and six other men badly shocked.

#### Victims of Lightning.

Laurens, S. C.—Nathan Y. Man-ley, aged 65, and his ten-year-old grandson, Joe Manley, were instantly killed, and Henry Manley, the little boy's father, fatally injured by lightning at Poplar Springs church.

#### Weekly Publishers' Association.

Chicago.—Monday the American Weekly Publishers' association was organized here by the publishers of weekly newspapers in the central western states. The object is to provide protection for members of the association in legislation regarding newspapers, especially in all postal matters.

Washington, D. C.—Representa-tive Chaney, of Indiana, has introduced a bill appropriating \$20,000 for a monument to Maj. Gen. Henry W. Lawton. who is buried at Arlington.
